Site Status	CFS 2022
Contrib to Supply?	Yes

Total Yield	84
Demolitions	0
Years 1-5	0
Years 6-10	84
Years 11-15	0

Suitability

Housing development is acceptable in principle as in Primary Residential Area. Included as a housing allocation in draft Bootle Area Action Plan.

Availability

The site was submitted as part of the call for sites. The site is therefore available.

Achievability

In an area identified as having weaker viability in the most recent economic viability assessment. Adjacent sites are known to be significantly contaminated.

Site Description

Vacant office building on large that would be suitable for redevelopment for housing. Unlikely to be redeveloped in the short term and placed in 6-10 year supply.

Conclusion

Large site near to Bootle Town Centre, occupied by vacant offices. Site submitted for housing in 2022 call for sites. Due to need for demolition and remediation on site is only included in 6-10yr housing supply.
